

KAMO Electric Cooperative, Inc. d/b/a as KAMO Power (“KAMO”) in order to comply with new FEMA guidelines, KAMO is hereby soliciting to Pre-Qualify Electric High Voltage Transmission Line Reconstruction Contractors. The prospective bidders must have a proven history or “track-record” of the successful, on-time construction of Electric Transmission Lines from 69KV to 345KV.

In order to Pre-Qualify, the prospective Bidders must provide, **via U.S. Mail**, all of the necessary documentation listed below on or before, December 15, 2017 to:

Attention: Director of Construction
KAMO Power
P.O. Box 577
Vinita, Ok 74301

In order to Pre-Qualify, submit all of the following documentation:

1. A completed USDA, Rural Development, Rural Utilities Service (RUS) Form 274.
2. A **minimum** of three (3) Transmission Utility references, preferably RUS Borrowers.
3. A “Transmission Project List”, with the Superintendent’s Name and Resume’.
4. The Transmission Utility reference contact name and telephone number.
5. Acknowledgement that your Organization can provide Insurance to the RUS 830 Contract Provisions including, but not limited to \$1,000,000.00 Liability Coverage. And, can issue to KAMO a Certificate of Insurance (COI) naming KAMO as: “Additional Insured.”
6. Acknowledgement that your Organization can provide a “Bid Bond” in accordance with the RUS 830 Contract Provisions (10% of the Amount of the Bid). Bid Amount includes contract labor as well as owner-furnished materials.
7. Acknowledgement that your Organization can provide a “Contractors” or Performance Bond in accordance with the RUS 830 Contract Provisions (100% of the Amount of the Bid). Bid Amount includes contract labor as well as owner-furnished materials.

NOTE: The RUS Form 274 and RUS Form 830 may be found and downloaded from the RUS website. Therefore, **do not contact KAMO requesting these forms.**

NOTE: KAMO **will not be taking calls or emails regarding this solicitation.** Therefore, all communication shall be via U.S. Mail.

If a prospective Bidder is found to be Qualified, KAMO will inform the Bidders via U.S. Mail. KAMO will not accept calls or emails regarding the status of Qualification.
