Dear Rural Utilities Service Loan or Grant Recipient,

In accordance with 7 CFR Part 15, subpart A, and USDA Departmental Regulation 4300-003, "Equal Opportunity Public Notification Policy," dated June 2, 2015, recipients of USDA funding are required to use "And Justice for All" posters to inform customers of their rights.

Institutions participating in or administering USDA programs are required to display Form AD-475-A Assisted Poster (revised 2015) in their facilities where it can be viewed by customers. All "And Justice for All" posters must be displayed in a specific size: 11" width x 17" height.

Enclosed are two copies of the updated "And Justice for All" poster. If you need additional posters, please contact Adam Miller at 202-720-8674 or by email at adam.miller@wdc.usda.gov

Sincerely,

A handwritten signature in blue ink that reads "Brandon McBride".
